Jake Telford earned the Open Hackamore Championship on One Shiney Chic, owned by Aspen Meadows Ranch of Park City, Utah. Telford has ridden the 5-year-old mare since she was a 2-year-old. They were the 2007 and 2008 IRCHA

Open Hackamore Champion, and the Idaho Futurity Open Hackamore Champions.

"She is a very smart and curious horse. She always wants to please." Telford added, "She stops like a reiner but is even better at the fence work. She has the attitude of a winner and does whatever she is asked."

Aspen Meadows Ranch did two embryo transfers out of One Shiney Chic, and is expecting them in 2009. Mary Allen, whose parents own Aspen Meadows Ranch, will continue showing the mare.
